New Jersey Man Advocates Secretary for President
Democratic Accord Seen for Jackson Day Dinner
Republicans Also Showing Closer Harmony

BY ROBERT R. ARMSTRONG
"Times" Staff Correspondent
WASHINGTON, Dec. 30. (Exclusive) Senator Edge, one of the outstanding leaders of the Republican party in New Jersey, today made his declaration for the nomination of Herbert Hoover as Secretary of Commerce, for President at the Kansas City convention.

STRAUBURG (France) Dec. 30. (P) News of barbed-wire and plans for the systematic barricading of the streets of Strasbourg as well as the organization of this Congress have been maintained control of both sides and Senate and in the latter they have made an agreement with some of the progressive type of Republicans that gives them the Republican support in party matters.

NEW YORK, Dec. 30. (P)—"Sweet Adeline" has a sister who is going on the air New Year's Eve. On the song they wrote twenty-five years ago Dick Gerard and Harry Armstrong made \$2500, although the song has been written by them.

SHANGHAI, Dec. 30. (P)—The apprehension felt by foreigners in Tientsin as a result of the Nanjing Nationalist advance into Southern Shantung is lessening somewhat as Japanese and American warships concentrate in the harbor. Three Japanese cruisers and three destroyers are standing by prepared to land marines should the situation warrant.

LEOTON (Nottinghamshire, Eng.) Dec. 30. (P)—Stable help, farm workers and everybody else employed in an active capacity around the Prince of Wales's farm here was on the alert today in a fight to keep the foot-and-mouth disease away from his famous herd of prize shorthorns.

Chochof Defenders Give Up After 79 Days
Medieval Walls Hold Off Modern Weapons

PEKING, Dec. 30. (P)—After a siege lasting seventy-nine days the town of Chochof, forty miles southwest of Peking, has capitulated to the Chinese. The Shanxi troops have been stranded there almost three months ago when the Shanxi invasion of the Province of Chihli was repulsed.

GUAYAQUIL (Ecuador) Dec. 30. (P)—A dispatch from Quito to El Telegrafo, says the Ecuadorian government has ordered Chanciller Viteri Lafont to cancel his trip to Havana, where he was to have headed the Ecuadorian delegation to the Pan-American Congress.

Extraordinary Powers Given Mexican President
Commission to Comprise All Ranks of Society

MEXICO CITY, Dec. 30. (Exclusive)—Unanimous approval of the proposed granting to President Calles of extraordinary powers in creating a Council of National Economy has been given by the Chamber of Deputies.

WASHINGTON, Dec. 30. (P)—The recall from special assignment of Col. Edward A. Kreger of the Judge Advocate-General Corps, and his assignment to military duty at the Second Corps Area headquarters in New York, has created the impression here that the long-delayed Pershing-Lassiter report on the Tacna-Arica plebiscite has been completed.

ESTATE OF DAVID MAY \$3,000,000
Large Gifts to Members of Family Also Made Prior to His Death in July

ST. LOUIS, Dec. 30. (P)—David May, chairman of the board of directors of the May Department Stores Company, who died July 22, last, left an estate of \$3,000,000, as shown by an inventory filed here today.

WASHINGTON, Dec. 30. (P)—Wheat shipments during November established a new Panama Canal trade record in that commodity, with a total of 351,224 long tons, as compared with 173,988 in November of the preceding year.

Religious Rebellion Said to Have Been Suppressed
Expresses Hope for New Era of Tranquillity

MEXICO CITY, Dec. 30. (P)—President Calles has issued a New Year's address to the Mexican people, in which he says: "Mexico's domestic situation has been improved and there has been ushered in an era of most cordial and intelligent relations between Mexico and all other nations."

NEW YORK, Dec. 30. (P)—Albert H. Loeb of Chicago, vice-president of Sears Roebuck & Co., who died in October, 1924, after his son, Richard, had been convicted of murder and sent to prison for life with Nathan Leopold, Jr., left a gross estate of \$3,233,860, a transfer-tax appraisal revealed today.

HOOPER AND DAVES LEFT
In the Republican party the elimination of Calvin Coolidge by his Black Hills statement of August 2, his subsequent scotching of the plan to draft him in New England by plain letters and the White House speech early in December to the Republican National Committee eliminate any third-term issue in the Republican contest and tends for a united party vote behind whoever is nominated at Kansas City.

Spanish Reprisal Trade Ban Seen
MADRID, Dec. 30. (P)—There is a possibility that a policy of retaliation may be established by the Spanish government against American goods because of the measures enacted in the United States forbidding the export of American grapes on account of the Mediterranean fly plague.

Ecuador Takes New Action in Boundary Row
GUAYAQUIL (Ecuador) Dec. 30. (P)—A dispatch from Quito to El Telegrafo, says the Ecuadorian government has ordered Chanciller Viteri Lafont to cancel his trip to Havana, where he was to have headed the Ecuadorian delegation to the Pan-American Congress.

Official Report on Tacna-Arica Believed Ready
WASHINGTON, Dec. 30. (P)—The recall from special assignment of Col. Edward A. Kreger of the Judge Advocate-General Corps, and his assignment to military duty at the Second Corps Area headquarters in New York, has created the impression here that the long-delayed Pershing-Lassiter report on the Tacna-Arica plebiscite has been completed.

Russia Seeking American Aid in Auto Project
RIGA, Dec. 30. (Exclusive)—Soviet emissaries at present in the United States are engaging a complete staff to manage and operate an automobile factory, and the Supreme Council of National Economy at Moscow hopes to produce 10,000 light cars and trucks in the coming year.

ADULT COLLEGE WILL GRANT NO DEGREES
SACRAMENTO, Dec. 30. (P)—Proposing to work in the interests of the adult education movement now gaining headway in the State, a group of thirty San Francisco and peninsula educators and citizens have organized the People's Assembly, articles of incorporation for which have just been filed.

Woman Heads Bacteriologists

ROCHESTER (N. Y.) Dec. 30. (AP)—Miss Alice C. Evans of Washington, who three years ago contracted Malta fever while carrying on bacteriological experiments, today was named president of the Society of American Bacteriologists.

Miss Evans is associated with the United States Hygienic Laboratories in Washington.

SCIENCE LEARNS LAW OF STORMS

Weather Bureau Observers Tell Deductions

Direction of Cyclonic Wind Augments Force

Winter Tornadoes Gain in Strength at Night

NASHVILLE (Tenn.) Dec. 30. (AP)—Why general or cyclonic storms often increase rapidly in size and intensity as they moved northeastward across the Eastern United States and Canada, or over the western Atlantic, was explained today by Dr. W. J. Humphreys, meteorological physicist of the United States Weather Bureau.

He also gave an explanation of the more rapid increase by night than by day in the size and intensity of winter cyclones moving northward in the United States, a phenomenon observed by Charles L. Mitchell, district forecaster at Washington.

HOW IT GROWS

The cyclonic storm, consisting of a swirl between cold air and the southwestern side and warm humid air on the southeastern side, he said, attains an increasing intensity as it moves northeastward, the cold side becoming colder and the warm side showing little change, with high mountains in the region to block the free flow of either current of air.

With respect to Mr. Mitchell's observation, he explained that the cool sector of a cyclone area being relatively clear and the warm sector cloudy, the former tends to become colder at night through loss of heat by radiation, while the cloudy sector more nearly maintains its temperature.

In the daytime, on the other hand, the clear side warms up more rapidly and the difference between the two sides being reduced, the cyclone tends to become less and less pronounced, aided by the greater interference to the flow of the colder air caused by the disturbance in atmospheric equilibrium due to the exposure to the sun.

RAY MAY SOLVE LIFE MYSTERIES

(Continued from First Page)

be introduced to render it more effective. The theory that earthquakes and volcanoes are caused by the continuous slipping gradually from the poles was advanced before the society by Dr. Frank B. Taylor of Fort Wayne, Ind.

Recent maps showing the distribution of earthquakes and volcanoes reveal, he said, that these earth disturbances are concentrated in or near the so-called "young" mountain regions of the continent—for example, the region of the Rockies in North America or the western coastal ranges of Asia.

WHOLE COUNTRY SLIDING

Dr. Taylor believes these "young" mountains are sliding by the tremendous pressure resulting from the slide of the continents which still is going on.

"The whole mass of North America, north and northeast of the Rocky Mountains is sliding constantly southward and southwestward, without perceptible jar on a deep-seated film of rock," he declared.

The convention took on a political and economic aspect today when Dr. C. K. Leith of the University of Wisconsin, showed the geologists that the geological peace is directly linked with the mineral deposits of the earth, trade routes for which must be kept open.

Mineral deposits, geographically distributed among certain continents so that there is an international rivalry among nations, are drawing the world together in one economic brotherhood, he said.

The highest honor of the Geological Society was conferred upon Dr. Thomas Crowder Chamberlin, 84 years of age, professor emeritus of geology at the University of Chicago, who was awarded the Penrose medal for "distinguished service to the geology of the world."

Chamberlin's theory of the origin of the earth, which virtually blasted the Laplace nebular hypothesis, won this honor for him. His theory is known as the planetesimal theory. Some 3,000,000 years ago, he believes, another star, wandering too near the sun exerted a tidal influence that caused the sun to shoot off a series of four bolts.

The first four bolts became the planets Neptune, Jupiter, Saturn and Uranus. The second bolt, shot in an opposite direction, are earth, Mars, Venus and Mercury. Rival attractions of the star and the sun swirled the planets around in their present orbits.

Dr. Chamberlin said tonight that the earth is a god for many millions of years, perhaps for billions of years to come, provided no other star comes along to pull it out of shape. There is no sign of such a position on the horizon of the solar system, he said.

BEVERIDGE TERMED WONDERFUL ORATOR

CINCINNATI, Dec. 30. (AP)—The late United States Senator Beveridge was proclaimed today before the National Association of Teachers of Speech as one of the greatest orators of the twentieth century, ranking second only to the late William Jennings Bryan. Beveridge's oratorical ability was analyzed by Edwin H. Padgett of Purdue University.

Seattle Mayor Will Run Again

SEATTLE, Dec. 30. (AP)—A declaration of candidacy for re-election as Seattle's Mayor was filed today by Mrs. Bertha K. Landis today.

Dr. W. T. Christensen, a former port commissioner, is the only other candidate who has filed, but six other men are expected to enter the race before the time for filing expires, January 26.

The city primary will be held February 26, and the general election March 6.

HELD FOR ROBBERY

POMONA, Dec. 30. (AP)—John Ervin and Charles E. Fox, charged with having assaulted and robbed Edward King, Pomona dairy worker, on Saturday night, the 17th inst., were this afternoon held to answer in Superior Court, bail being set at \$5000 and \$3000, respectively, in lieu of which both were remanded to jail pending trial.

POLITICAL SCIENCE BODY HAS NEW HEAD

WASHINGTON, Dec. 30. (AP)—The election of Dr. Jesse E. Reeves, University of Michigan, to succeed Prof. William Bennett Munro, Harvard University, as president of the American Political Science Association, was announced today.

FAME FROWNS ON BACHELORS

Psychology Sessions Told Marriage and Children Spur Benedict to Heights of Renown and Wealth; Street Car Men Must Lack Ambition

COLUMBUS (O.) Dec. 30. (AP)—Bachelors have little chance of getting into "Who's Who," according to Dr. Albert E. Wiggam, scientist and author who is attending the American Psychological Association meeting here.

Bachelors men are the ones who rise to fame and fortune," he said. "The likelihood of such an achievement increases with the number of children increasing until there are four in the family."

These conclusions have been arrived at through statistics, he indicated. More and more data are being gathered by eugenicists to corroborate his findings, he said.

A street car conductor or motor man has a tough job for he must be something of a philosopher, possess perfect health and good physical control and lack ambition, according to Mrs. Sadie Myers Shellow of Milwaukee.

Shellow, who is personal psychologist for the Milwaukee Electric Railway and Light Company, explaining the requirements of a good street-car man to members of the association.

A street-car man must have nervous stability, quick reactions, social intelligence and interest in his job—particularly the motor man, said Mrs. Shellow.

He must be a philosopher of a sort so he will be able to listen to the complaints and abuse of the passengers without losing his temper. He must not have too much ambition, for it will take his mind from the requirements of the job, he said.

He must have the utmost concentration. The battle almost immediately was carried into another court upon a petition for a writ of habeas corpus.

NEW FIGHT ON

Gabriel Ryan, brother-in-law of Remus, won the issuance of a forthwith writ upon which final hearing was set for Tuesday, when, under Judge Lueders' direction, Remus was to have been taken to Lima.

In disregarding the finding of the alienists, three of whom sat with him at a one-day sanity hearing, and three of whom testified at Remus' murder trial which ended last week with acquittal upon sole ground of insanity, Judge Lueders accepted entire responsibility.

"The law rests with me," he explained. "It directs the court call in medical witnesses but in the last analysis it is for the Probate Court to decide from all the evidence in the case whether Remus is sane."

UNIQUE REPUTATION

For a score of years Judge Lueders has been "the Probate Court." He bears a reputation locally for common sense.

Despite the report of the three alienists who advised him Remus was sane, Judge Lueders found support for his decision in this additional information:

"We also find that said George Remus is a psychopath and therefore is a dangerous individual to be at large. We believe that he is a dangerous psychopath, because he is unmoral, lacking a sense of ethics, emotionally unstable, being subject to unrestrained outbreaks of temper and rage and egocentric to a pathological degree."

The document bore the signatures of Dr. H. H. Hopper, Dr. Thomas A. Ratliff and Dr. Howard D. McIntyre.

In addition, two of the alienists who, as murder-trial witnesses, reported Remus was sane, "Dr. David I. Wolfstein and Dr. Charles W. Kiely, testified at the Probate Court sanity hearing that Remus was a dangerous man."

LAW FALLS SHORT

In pressing for the writ of habeas corpus and stating that tomorrow he would take an appeal to the Court of Common Pleas, Charles H. Elston, co-counsel with Remus, who represented himself in the murder trial, stated that there was no law providing for the confinement of a "dangerous man."

"Danger" in a man would not be anticipated, he said. Neither was Judge Lueders' opinion supported by the required affidavits of two medical men, asserted Elston.

ASSETED PERJURER CRITICIZES VERDICT

CHICAGO, Dec. 30. (AP)—"If George Remus is insane then everybody in America is insane," shouted Louis Berger, star witness for Remus in his murder trial when informed here today that Remus had been found insane at Cincinnati.

Berger, who was indicted for perjury and sentenced to jail for contempt of court as a result of the trial, said Remus' sanity hearing was "the most unfair trial that ever was tried in this fair country of ours."

New York Club Dismantled in Liquor Swoop

NEW YORK, Dec. 30. (AP)—Chas. Heller Morgan, one of New York's most gorgeous night club was dismantled by Federal prohibition agents early today after they had arrested Miss Morgan and eight male employees, seized a dozen bottles of liquid and spent two and one-half hours questioning 350 guests.

Furnitures and furnishings valued at \$50,000 were loaded on six motor trucks and carted to a warehouse. Prohibition Administrator Campbell, who headed the raiding party of twenty-five agents, said five agents have been gathering evidence against the club for the last week. He refused to discuss his action in dismantling the establishment.

The club, located in West Fifty-fourth street, just off Broadway, was crowded with men and women in formal dress when the agents entered at 1:30 o'clock this morning. Miss Morgan, the club's hostess, is an actress and has appeared in many Broadway productions.

Quake Recorded at Washington

WASHINGTON, Dec. 30. (AP)—A sharp earthquake estimated to have occurred about 1600 miles from Washington in a southerly direction was recorded today on the seismograph of Georgetown University.

Director Pondorf said the quake, which began at 7:30 a. m. and attained a maximum disturbance level of 1.30 on the Richter scale, was felt for several minutes. The hour appointed for the beginning of the fight struck and neither the torse nor the wall appeared. As the minutes sped by and there still was no sign of any activities, the spectators protested and finally, convinced they had been victims of a joke, invaded the ring and caused much damage. Order finally was restored.

Denial of Funds Ends Rum Drive

STOCKTON, Dec. 30. (AP)—Refusal of the San Joaquin Board of Supervisors to honor claims for funds used by Dist. Atty. Darragh in liquor raids, conducted during the past several weeks brought an announcement today from that official that further activities along this line are at an end. Deputies who had sided in the work were discharged.

Scores were arrested during the campaign. Threats against the life of Darragh were made at the height of the raids, it is said.

BERKELEY MAN NAMED BY LANGUAGE GROUP

LOUISVILLE (Ky.) Dec. 30. (AP)—Prof. Hugo K. Schilling of the University of California was elected president to succeed Prof. Achille Horace Thorndike, Columbia University, at the forty-fourth annual meeting of the Modern Language Association of America here yesterday. The 1928 meeting of the association will be held this year at Toronto, Can., it was announced.

REMUS INSANE JUDGE DECIDES

Veteran of Probate Court Quashes Sophistries

Slayer Sent to Asylum by Ruling of Court

Lawyers Start New Fight to Free Bootlegger

CINCINNATI, Dec. 30. (AP)—The unanimous finding of sanity by six of Cincinnati's most eminent specialists in mental diseases to the contrary, Judge Lueders today declared George Remus "now insane and a dangerous person to be at large," and ordered him committed to the State Hospital for the Criminal Insane at Lima.

The decision, however, merely marked a respite in the strenuous fight of the former Chicago lawyer to evade punishment for the murder of his estranged wife, Innocence.

The battle almost immediately was carried into another court upon a petition for a writ of habeas corpus.

NEW FIGHT ON

Gabriel Ryan, brother-in-law of Remus, won the issuance of a forthwith writ upon which final hearing was set for Tuesday, when, under Judge Lueders' direction, Remus was to have been taken to Lima.

In disregarding the finding of the alienists, three of whom sat with him at a one-day sanity hearing, and three of whom testified at Remus' murder trial which ended last week with acquittal upon sole ground of insanity, Judge Lueders accepted entire responsibility.

"The law rests with me," he explained. "It directs the court call in medical witnesses but in the last analysis it is for the Probate Court to decide from all the evidence in the case whether Remus is sane."

UNIQUE REPUTATION

For a score of years Judge Lueders has been "the Probate Court." He bears a reputation locally for common sense.

Despite the report of the three alienists who advised him Remus was sane, Judge Lueders found support for his decision in this additional information:

"We also find that said George Remus is a psychopath and therefore is a dangerous individual to be at large. We believe that he is a dangerous psychopath, because he is unmoral, lacking a sense of ethics, emotionally unstable, being subject to unrestrained outbreaks of temper and rage and egocentric to a pathological degree."

The document bore the signatures of Dr. H. H. Hopper, Dr. Thomas A. Ratliff and Dr. Howard D. McIntyre.

In addition, two of the alienists who, as murder-trial witnesses, reported Remus was sane, "Dr. David I. Wolfstein and Dr. Charles W. Kiely, testified at the Probate Court sanity hearing that Remus was a dangerous man."

LAW FALLS SHORT

In pressing for the writ of habeas corpus and stating that tomorrow he would take an appeal to the Court of Common Pleas, Charles H. Elston, co-counsel with Remus, who represented himself in the murder trial, stated that there was no law providing for the confinement of a "dangerous man."

"Danger" in a man would not be anticipated, he said. Neither was Judge Lueders' opinion supported by the required affidavits of two medical men, asserted Elston.

ASSETED PERJURER CRITICIZES VERDICT

CHICAGO, Dec. 30. (AP)—"If George Remus is insane then everybody in America is insane," shouted Louis Berger, star witness for Remus in his murder trial when informed here today that Remus had been found insane at Cincinnati.

Berger, who was indicted for perjury and sentenced to jail for contempt of court as a result of the trial, said Remus' sanity hearing was "the most unfair trial that ever was tried in this fair country of ours."

New York Club Dismantled in Liquor Swoop

NEW YORK, Dec. 30. (AP)—Chas. Heller Morgan, one of New York's most gorgeous night club was dismantled by Federal prohibition agents early today after they had arrested Miss Morgan and eight male employees, seized a dozen bottles of liquid and spent two and one-half hours questioning 350 guests.

Furnitures and furnishings valued at \$50,000 were loaded on six motor trucks and carted to a warehouse. Prohibition Administrator Campbell, who headed the raiding party of twenty-five agents, said five agents have been gathering evidence against the club for the last week. He refused to discuss his action in dismantling the establishment.

The club, located in West Fifty-fourth street, just off Broadway, was crowded with men and women in formal dress when the agents entered at 1:30 o'clock this morning. Miss Morgan, the club's hostess, is an actress and has appeared in many Broadway productions.

Quake Recorded at Washington

WASHINGTON, Dec. 30. (AP)—A sharp earthquake estimated to have occurred about 1600 miles from Washington in a southerly direction was recorded today on the seismograph of Georgetown University.

Director Pondorf said the quake, which began at 7:30 a. m. and attained a maximum disturbance level of 1.30 on the Richter scale, was felt for several minutes. The hour appointed for the beginning of the fight struck and neither the torse nor the wall appeared. As the minutes sped by and there still was no sign of any activities, the spectators protested and finally, convinced they had been victims of a joke, invaded the ring and caused much damage. Order finally was restored.

Denial of Funds Ends Rum Drive

STOCKTON, Dec. 30. (AP)—Refusal of the San Joaquin Board of Supervisors to honor claims for funds used by Dist. Atty. Darragh in liquor raids, conducted during the past several weeks brought an announcement today from that official that further activities along this line are at an end. Deputies who had sided in the work were discharged.

Scores were arrested during the campaign. Threats against the life of Darragh were made at the height of the raids, it is said.

BERKELEY MAN NAMED BY LANGUAGE GROUP

LOUISVILLE (Ky.) Dec. 30. (AP)—Prof. Hugo K. Schilling of the University of California was elected president to succeed Prof. Achille Horace Thorndike, Columbia University, at the forty-fourth annual meeting of the Modern Language Association of America here yesterday. Home Building Drop Reported
NEW YORK, Dec. 30. (AP)—Residence building in the United States was 4 per cent less in 1927 than in 1926, the annual statement of the United States League of Local Building and Loan Associations reveals.
During the year the building and loan associations provided funds for the construction of 600,000 homes. The mortgage loans made totaled \$2,110,000,000. The total loan investments of the associations was \$5,535,700,000, and the membership amounted to 11,505,000 persons.

Border Patrol Has Gun Battle
EL PASO (Tex.) Dec. 30. (AP)—Patrolmen outlined against the lights of El Paso were fired on last night by riflemen on the Mexican side of the Rio Grande in a brief battle with liquor smugglers just south of the city.
It is believed that two of the liquor smugglers were wounded and carried to Juarez. None of the border patrol was hit in the more than sixty shots that were exchanged.
Automobile dealers in Warsaw, Poland, are making more profit in selling used cars than in new ones.

One big night

- Spend
New Years Eve
at the Beaches

There's only one New Year's
Eve. And that's at the
beaches!

Yama Yama Parades, fireworks, traveling
bands, clowns, troubadours, serpentine
battles, confetti, penny scrambles, high
jinks—these are the carnival scenes ar-
ranged for you to celebrate the New
Year.

Venice

A big carnival at a famous beach. Special
events in the dance ballrooms. Cele-
brations on the Venice Pier. Don't miss
the mammoth fun frolic that thousands
will enjoy. All night service on the Big
Red Cars. Trains leave Subway Terminal
Station, 4th and Hill, Los Angeles.

Ocean Park

Here the big Yama Yama parade will be
held. Fireworks, too, and traveling
bands, troubadours, serpentine battles.
All night service on Big Red Cars from
Subway Terminal Station, 4th and Hill,
Los Angeles.

Long Beach

Annual Hi Jinks and 10,000 Penny
Scramble in the amusement zone. Fun
for all and all for fun. A real carnival
where mirth and joy are unrestrained.
Trains leave Main Street Station, Los
Angeles, on frequent schedules.

Ride the Big Red Cars and start the New
Year right. You'll find the service con-
venient, safe and economical. And
you'll arrive fresh and rested—ready to
enjoy the fun!

YOUNGBANDITS UNDER ARREST

Pair Captured by Pasadena Officers

Charged With Robbery of
Two Stores

Both Are Identified by
Victims

PASADENA, Dec. 30.—Charged with robbing two stores here last night, Clyde McFarland, 19 years of age, of 706 North Raymond avenue, and Ralph North, 20, of the Ritz Hotel, were arrested today by Pasadena police.

McFarland is reported to have confessed robbing a store in the city. North was arrested on the charge of robbing a store in the city.

Detective Chief Bates said that the two men were seen in the city. They were seen in the city and were seen in the city.

The Elite Pharmacy at Colorado street and Allen avenue and the S. Lee Grocery at 1075 North Fair Oaks were the two stores which were robbed. The two men were seen in the city.

One of the bandits carried a 45-caliber revolver. Neither was masked. In each case, they bound their victims with leather straps after robbing them. Both men were identified today. The robberies took place less than an hour apart, the last one about midnight.

Farm Bureau Opposes Fees

VENTURA, Dec. 30.—The Ventura County Farm Bureau is going to do all in its power not only to prevent future retention of vast sums as fees by any local official, but also to have returned to the county by Assessor Jasper Barry the \$50,000 he has so retained this year.

Resolutions to this effect were adopted by the executive committee of the farm bureau in a meeting here last night.

A special committee, headed by President J. N. Thillie, was appointed to co-operate with the county board of supervisors in the fight against the fees.

At yesterday's meeting ten members of the executive committee were present, widely representing the farm bureau of local industries. G. Edwards, chairman of the legislative committee of the Ventura County Chamber of Commerce, and Assemblyman Walter Duval, were present by invitation.

WEST VALLEY SEEKS SMALL INDUSTRIES

GIRARD, Dec. 30.—The western end of San Bernardino Valley is making every effort to establish small industries in the area. "More pay rolls are needed to support the constant stream of people building homes in this section," business men say. Recent data compiled in the endeavor to get the Los Angeles Chamber of Commerce to locate small industries in the section show that within three years homes along the Ventura Boulevard area have increased from 15 to 400. It is also pointed out that more than 500 miles of valley roads and streets have been paved or are in the process of being paved.

This is cited as the most extensive street-improvement program of any city or suburb in the world. The survey submitted to the chamber also reiterates the fact that San Bernardino Valley is growing three times as fast as any other part of the Los Angeles metropolitan area in proportion to the present number of inhabitants.

PROVIDE FUNDS FOR ADVERTISING CITY

EL CENTRO, Dec. 30.—In order to provide for an extensive community advertising program in the future, tentative plans are being formulated by the Chamber of Commerce here for the circulation of petitions that will enable the city trustees to levy a ten-mill tax for publicity purposes during the coming year.

Speakers at a luncheon meeting of the chamber this week asserted that the present five-mill levy provides only enough money for the overhead operation of the organization, and that an additional tax will be necessary if a general advertising program is to be adopted.

FIND BODY OF MISSING MAN

FRESNO, Dec. 30.—The body of J. R. Mundy, 32-year-old soap peddler of Fresno, who disappeared December 17, was found today in a disused basement at the rooming-house where he had been living.

Dr. H. F. Crawford, autopsy surgeon, found that he had died of natural causes. The circumstances under which the body was found led the authorities to believe that the aged man had wandered into the basement by mistake and was overtaken by death while attempting to find his way out.

HOLD DRIVER OF DEATH AUTOMOBILE

VISALIA (Cal.), Dec. 29.—Following the issuing of a coroner's jury verdict in which Sherman Bence, 21, of Exeter, is held responsible for the death of Leo Dugger, 14, of Exeter, Bence is being held in jail here pending filing of a specific charge, probably to be preferred when W. O. Dugger, father of the boy killed in the automobile accident near Exeter December 26, arrives from the East.

The coroner's jury declared Dugger met his death in an automobile accident while riding with Bence.

TO DISTRIBUTE ESTATE

Winter Resident of Redlands Leaves Many Gifts to
City and Southland Institutions

REDLANDS, Dec. 30.—Attorneys for the executors of the estate of Miss Olivia E. Phelps Stokes, who for more than twenty years made her winter home in this city, have arrived in California on business connected with the estate. Miss Stokes left an estate valued at more than \$3,000,000 and while her library was remembered, more than \$1,000,000 was left to colleges and charitable institutions.

Specific cash bequests to educational, religious and benevolent organizations directly and indirectly total \$935,000. In addition the residuary estate the value of which cannot be exactly estimated at this time, goes to Barnard College and certain California real estate to the town of Redlands. The bequests to Barnard, like all others to institutions unless specifically apportioned, are to become part of the college's endowment fund under the terms of Miss Stokes's will. The park is to be kept in as nearly as possible the condition in which it was when the Olympic games will be held here, Crombie Allen, former president of the Southern California Editorial Association, will leave about January 5.

Representing the newspapers of California, bearing letters from city and state officials, California newspaper associations and many other organizations, Allen last year attended the third assembly of the Press Council of the World at Geneva, Switzerland, and invited that body to hold its 1932 assembly in Los Angeles at the time the Olympic games will be held.

The matter is in the hands of the executive committee. Allen has assurances from a number of the committees that they are favorable to California. He is going to South America to see members of the committee in Santiago, Lima, Buenos Aires and Rio de Janeiro, confident of securing their pledges. There are thirty nations represented in the Press Council.

Allen will also travel in the interest of the Olympic games which will be held in Amsterdam in 1928 and Los Angeles in 1932.

En route he will also probably visit the Pan-American Conference at Cuba in January.

Miss Stokes left \$25,000 to Pomona College. She left \$10,000 each to the Y.W.C.A. of Redlands, Y.M.C.A. of Redlands, San Bernardino Y.W.C.A., Redlands Community Hospital and University of Redlands. Other relatives get varying amounts. She left \$20,000 to Michael Lowe, in her employ for years as manager of the estate here; \$25,000 to John Dillinger, a gardener here, and \$10,000 each to her house servants, Elizabeth Saul, Ellen Matson and Edith Bergendorf.

Woman Born in
Covered Wagon

SAN BERNARDINO, Dec. 30.—Death struck again today at the ranks of the pioneer Californians, taking Mrs. Minerva Bemis Robinson, who was born at Tecumseh, where, in October, 1852, Capt. Frank Johnson's wagon train of settlers from Arkansas stopped to rest. The train was bound on to El Monte, known as the end of the Santa Fe Trail.

Mrs. Robinson was the daughter of Mr. and Mrs. N. M. Strong, who joined the wagon train expedition at Little Rock. In 1857 the family moved to San Bernardino Valley, where the late Mrs. Robinson resided for seventy years.

Besides her husband, Huber Robinson, she is survived by four sons, Alvin Bemis of Phelan, Strong, G. A. and Edwin Bemis, and three daughters, Mrs. Bettie J. Turner, Mrs. Opal Blessings, Mrs. Monima J. Thomas, all of San Bernardino, one brother, E. M. Strong, three half-brothers, William, Frank and John Talmadge, all of San Bernardino.

VEGETABLE GROWERS
MAKE GOOD PROFIT

EL CENTRO, Dec. 30.—Will S. Fawcett Company, listed among the largest vegetable growers in Imperial Valley, today announced a dividend of \$5 a share on stock of record on the 24th inst. The Fawcett company has 2000 acres of land devoted largely to lettuce, cantaloupe, grapes and asparagus. The company's view of the unfavorable market returns reported by lettuce and melon growers during the past two years has led to the announcement of the Fawcett company's dividend.

In addition to Mr. Fawcett, who is president of the company, the directors are Roy Breddore and Harold A. Burnham of El Centro, George W. Anderson and Clarence M. Berke of Los Angeles.

FIELD SECRETARY
RESIGNS POSITION

TULARE, Dec. 30.—Charles L. Kennedy, for the past seven years field secretary of the Tulare Chamber of Commerce, has tendered his resignation, which becomes effective December 31 of this year. However, it is understood that Kennedy will probably remain in office until his successor is appointed by the new executive board named at the annual meeting of the chamber on the 12th of January. Kennedy has not announced his plans for the future.

Executive committees whose members are W. E. Donahue, G. F. Paxton, Harry Crowe, W. J. Higdon, A. J. Elliott, and G. C. Burnett. Burnett being a life member, will continue to be an officer despite the expiration of the term for which he was elected.

HOLD FUNERAL FOR
ACCIDENT VICTIM

ARMONA, Dec. 30.—The funeral of Junior Aydelott, aged 16, senior in Hanford High School, an athlete and a student maintaining a high scholastic standing, was held at the family home, Kilmer Trees, north of this city, this afternoon. Rev. Otis A. Burnham, pastor of the Episcopal Church of Hanford, officiated, assisted by Dean McDonald of Fresno. The remains were interred in Hanford Cemetery.

The youth was killed about midnight Wednesday in an automobile accident, his car skidding off the highway while he was returning home on the slippery road after attending a basketball game at the high school. He is survived by his parents and two brothers, Lee of Los Angeles and Jamie of San Francisco.

FLYER DIES FROM BURNS AFTER FALL

Motion-Picture Stunt Pilot
Victim When Plane Catches
Fire as it Hits Live Wire

GLENDALE, Dec. 30.—Al Johnson, 31, pilot for a motion-picture company near Los Angeles, was fatally injured when his plane crashed into a high-tension wire and caught fire as he was attempting to take off. He died shortly before midnight at the Physicians and Surgeons Hospital here.

When the plane struck the wire a burst of flame leaped four feet in every direction from the ship, and as the plane flutted to the ground the four-foot flame ignited, consuming all that was left of the machine except a part of the wing which had been ripped off by the wires. Johnson had approached close to the wire in an ambulance, and then, when the plane struck the wire, he attempted to jump, but the machine struck the wires before he could leap clear.

At the time of the accident Johnson was working as a pilot in the filming of a picture and was flying a plane that had been rebuilt by a group of mechanics for use in the film. The machine was powered by a three-cylinder engine according to O. W. Timm, airplane designer, who has known Johnson for some time. Johnson was a stunt pilot, wing walker and parachute jumper, but his experience as a pilot was limited.

Johnson leaped from the plane he landed twenty-five feet distant from the blazing wreckage.

Valley Arrests
Show Increase

VAN NUYS, Dec. 30.—The Santa Ana Valley division of police with headquarters here, in the last year has either taken on a superior efficiency or else within that time the so-called crime wave has hit this area with a big splash.

According to Capt. Kiersey, in 1926 there were 760 arrests. This year has still a day to go, with a record of 8610 arrests for the twelve-month period. The figures include arrests of all kinds, including traffic violations cases by arrest or service of warrant.

HOLD FUNERAL FOR FOUR BROTHERS KILLED IN Kern County Tragedy to be Buried from Delano Catholic Church

TULARE, Dec. 30.—Remains of Albert Villard, prominent rancher of the Delano district, who killed three of his brothers in their ranch home, east of Delano, Wednesday morning while they were at breakfast, later hanging and shooting himself south of Tulare, were this morning taken to the undertaking parlor in Delano.

Catholic funeral rites for Albert and his three victims Eugene, August and Gabriel, will be conducted tomorrow morning at 10 o'clock at St. Mary's Church in Delano. Rev. Father Denoit officiating. This reunion of the four brothers in death and in the solemnizing of their funeral services were made possible by the arrival of the Villard family, who until late yesterday had refused to consent to the interment of the bodies in Delano.

Through brooding over fancied ill treatment from his brothers in a transaction, he believed to have become insane and to have taken this tragic means of avenging his supposed wrongs. Joe, another brother, is fighting for his life in the Delano hospital at Bakersfield, as result of bullet wounds inflicted by Albert.

Eugene, August and Gabriel were found to have come to their death through gunshot wounds, inflicted by Albert, while temporarily insane, by the coroner's jury at the inquest over their bodies in Delano yesterday.

At the inquest conducted at the parish in Tulare over Albert's body late yesterday a suicide verdict was returned. Letting Dr. Frederick, formerly Congressman from the Tenth District; Maj. Dave Boyden, regional manager of the United States Veterans Bureau, Tulare district; and James D. Donnelly, chief medical officer of the Veterans' Bureau.

Both legions promise to participate in the formal ceremony, and music will be provided by the Santa Monica High School band. The hospital will be open for public inspection following the ceremony.

Makes Plea for
Adequate Navy

GLENDALE, Dec. 30.—Plea for a strong merchant marine backed by an adequate naval force were made by Capt. W. T. Cluett, commander of the U.S.S. West Virginia, in address before the American Legion, and the Daughters of the American Revolution.

He quoted Theodore Roosevelt's remark that "America's destiny is on the water" and pointed out that the navy needs merchant ships with a navy behind them to maintain our national policy on the seas. We are a trading nation of the first power, and our flag must not pass from the sea.

Stressing the need for more merchant ships to carry American commerce, Capt. Cluett declared that the navy must be able to protect the commerce. He said that the navy must be able to protect the commerce.

FORMALLY DEDICATE HOSPITAL

National Commander of
American Legion to Speak
at Exercises

SAWTELLE, Dec. 30.—A bronze plaque commemorating the dedication of the new James W. Wadsworth General Hospital at the Soldiers' Home in Sawtelle will be presented at a New Year's ceremony next Tuesday afternoon at 1:30, when the great \$1,500,000 building will be turned over formally to disabled veterans.

For several months the structure has been completed and in use, but the formal ceremony will be held by the official pomp of a formal dedication, according to American Legion post officers, James M. Mott and Sawtelle, in charge of the program.

Edward E. Spafford, National Commander of the American Legion, will deliver the dedicatory address, and Col. John A. Hadley, governor of the Soldiers' Home, largest veterans' institution in the country, will accept the plaque on the part of the government and veterans. Other prominent guests and speakers will be James D. Donnelly, chief medical officer of the Veterans' Bureau.

Both legions promise to participate in the formal ceremony, and music will be provided by the Santa Monica High School band. The hospital will be open for public inspection following the ceremony.

SLOT MACHINES LAWFUL DEVICE

Prosecution of Owner
in San Diego

Jury in Justice Court
Recent Ruling

Large Number of Cases
Dismissed

SAN DIEGO, Dec. 30.—San Diego county probably will be the first to open doors of recovering stolen slot machines back to the state where the sheriff's deputies will be allowed to return them to the state where they were stolen.

The acquittal was that of a slot machine, tried by jury in Justice Court. The jury found that the slot machine was a lawful device.

SLOT MACHINES LAWFUL DEVICES

Prosecution of Owner Fails
in San Diego

Jury in Justice Court Follows
Recent Ruling

Large Number of Cases to be
Dismissed

SAN DIEGO, Dec. 30.—San Diego county probably will be spared the expense of recovering several hundred slot machines back to places where the Sheriff's deputies seized them in the last days of October, using private motor trucks, as well as county machines in a county-wide raid. A load of thirty-nine of the machines, released after another acquittal of operator or owner, was transported away at expense of the county today.

The acquittal was that of L. M. Favorite, tried by jury in Justice Court, who was charged with operating slot machines. Because no conviction has been obtained in a number of cases tried for ownership or operation of the machines, it was reported that further expense in trial of the long series of cases may be spared by dismissal of the charges.

Prosecutions and collection of machines were undertaken despite a ruling by Superior Judge Andrews months ago that the machines are not gambling devices within the meaning of the California law.

In the Favorite trial the jury voted eleven to one for acquittal from the first ballot for an hour, and then reported to the court that they were deadlocked there. Juror C. H. Grant asked permission of the court to state why he was maintaining his ballot for conviction, and when told to proceed, presented a unique reason.

"They put the machines out of business in Fresno and other towns," he said, "and I believe they should be put out in San Diego."

Thereupon the court informed him that he had been sworn in as a juror to hear the evidence in a specific case in San Diego county, had heard such evidence and was duty bound to give verdict in this case, with which evidence or verdicts in Fresno and other towns have no bearing.

So the juror voted on the San Diego-Favorite case in line with the other eleven jurors, and Favorite had the slot machines taken away.

Pacoima Dam to be Ready for Use Next May

PACOIDA, Dec. 30.—The Pacoima Canyon Dam, highest flood wall in the world, will be completed by next May, it is stated by E. C. Eaton, chief flood control engineer, who with a number of San Fernando Valley civil workers inspected a part of the Tujunga Wash channel near here.

Preliminary activities for a high dam in Tujunga Canyon will be started as soon as the Pacoima Dam is put into use. Mr. Eaton says that 80 per cent of the Pacoima flood control dam has been completed and that the remainder can easily be finished by late spring.

Each year the valley suffers greatly from flood waters that pour out of Pacoima Canyon. The dam is now sufficiently high to obviate this annoyance. It will take about two years to build the Tujunga dam, which is planned to be 290 feet high, about the same altitude of Pacoima Dam. The cost will be \$3,000,000 to be borne by the city and county.

During 1928 some \$300,000 will be spent by the Flood Control Department in the Tujunga enterprise in acquiring property necessary for the flood-control program.

JUDGE GRANTS WATER RIGHTS IN TULARE

VISALIA, Dec. 28. (P)—Ruling for the plaintiff, John La Marra, and eight others, Judge J. A. Allen yesterday granted right to water against the Woods Central Irrigation Ditch Company.

The suit was brought to quiet title to certain waters of Tule River. The plaintiff contended that they had prior right to water through the Little Pioneer Ditch and that such right had been established in 1868. The court held that the right of La Marra and eight other plaintiffs was prior to any other right.

ASKS ANNULMENT

VISALIA, Dec. 30.—Edward A. Williams has brought suit for annulment of his marriage to Marie M. Williams in the Tulare county Superior Court, contending that at the time of their marriage she was the lawful wife of George Earl Cook and that he had no knowledge of this. The complaint states that the two were married in Fresno in 1924. The plaintiff contends that when he found out that the woman was the lawful wife of George Earl Cook he ceased to live with her.

SAVED BY A MIRACLE

PARADENA, Dec. 30. (P)—Escaping death only through a miraculous trick of fate, William R. Johnson, 91 years of age, of 8160 Eagle Rock, was removed from the wreckage of his automobile after the machine had been struck and overturned fifty yards by a Union Pacific passenger train here today. Examination revealed that Johnson had suffered fractures of two ribs.

ENDS HIS LIFE

FRESNO, Dec. 30.—Facing committal to the State Hospital for insanity at Stockton, Carl E. Juul, 46 years of age, Easton rancher, committed suicide at his home today by shooting himself through the head. Deputy Sheriff Fay was preparing to go to Juul's ranch to take him to Stockton when the report of the death was received at the Sheriff's office. He is survived by his wife.

FRESNOS AT CONCLAVE

PARADENA, Dec. 30.—Dr. Arthur A. Noyes, noted scientist and head of the Gates chemical laboratory at the California Institute of Technology, is presiding at the current sessions of the American Association for the Advancement of Science in Tennessee. He was elected president of the body at its last convention.

for Economical Transportation

An Appreciation—and a Pledge for 1928

Over a million Chevrolet cars were produced this year. This is the largest number of gearshift cars ever built in a single year by a single manufacturer — and makes Chevrolet the world's largest builder of automobiles in 1927.

The Chevrolet Motor Company realizes that this outstanding achievement was made possible only by tremendous nationwide public support — by the public's splendid acceptance of Chevrolet quality.

Therefore, we take this occasion to express our appreciation of that support and to pledge, herewith, a continuance of the policy of progress which has ever increased the value of our product — and which finds further expression in the New Chevrolet to be announced on January first.

University of California

TWO SCHOOLS
HONOR SMITH

Alumni Dedicate Memorial to Famous Mentor

Both Elevens May Open Up With Air Attack

Bears in Midseason Form for Crucial Tilt

BERKELEY, Dec. 30. (AP)—Pennsylvania and California, friendly gridiron rivals since the first day of 1925, will renew football relations here tomorrow in a game expected to furnish a fair test between eastern and western styles of play.

Under favorable weather conditions 50,000 or more persons are expected to see the big university eleven clash in Memorial Stadium, where three California Bears jumped the Penn Quakers 14 to 0.

The game also will be the occasion for paying homage to Andrew Latshaw, California's famed coach, who died in the latter part of 1925. Andy was an alumnus and former coach of the University of California and a member of the eastern school will join in dedicating a memorial bench to the former football leader.

Representing Pennsylvania will be the same team that defeated Harvard, Columbia and Cornell in impressive fashion during the regular season, while California's eleven will differ but little from the squad that carried the Blue and Gold colors in the 1927 campaign.

Both teams finished long training camps with brief exercises today, while Coach Lou Young, Pennsylvania, and "Red" Price, California, announced that the players were in midseason form.

A wide-open passing game is looked for from both sides. Penn features an aerial attack, while California has been drilled steadily in this style of play since the regular season.

The Bears will have considerable weight advantage over the eastern invaders, averaging 185 pounds to the man against 175 pounds for Pennsylvania.

The starting line-ups: Pennsylvania, California.

COACHES FAVOR
RULE CHANGES

(Continued from Ninth Page)

Bill of Penn State and Bill Spaulding of the University of California at Los Angeles were the only members of the committee at its 1928 sessions. In effect, the coaches thus will have right representatives at these deliberations.

In gaining this concession, however, Mr. Hall pointed out that the coaches are merely being accorded the same privilege which for several years has been granted to officials. It has been customary to have three officials sit, as observers and advisers, with the rules committee. Mr. Hall tonight expects to invite again the three officials who sat with the committee last winter, namely, Dr. E. J. O'Brien of Tufts, Walter Eckersall of Chicago and Walter B. Oakeson of Lehigh.

"I will enable the committee to get the benefit of all points of view," Mr. Hall explained. "The coaches felt that they should have representatives of their own choosing and, on my own authority, I issued the invitation to them. I believe the committee will back me up. Of course, these special representatives will have no actual vote in our decisions."

So far as the rules are concerned, the coaches do not altogether agree with the "stand-pat" attitude of Mr. Hall, whose report yesterday stressed the rules committee's satisfaction with the present code, and opposition to any further changes of importance.

However, in recommending a turn to the 1926 rules governing the lateral pass and muffed punt, the coaches acted more in a desire to eliminate confusion over these rules than because of any decided opposition to the changes themselves.

It was only after a sharp and prolonged debate, however, that the association decided to recommend these two changes. The vote to move the new freedom given to use of the lateral pass was 50 to 16, but on the muffed punt rule it was 37 to 35. Muffed punts this year have been declared dead at the point of recovery, but the coaches want a return to the method permitting a player to run with a recovered punt.

The fight for these changes was led by Knute Rockne, chairman of the coaches' committee on rules, who declared himself opposed to Mr. Hall's idea that the game's code has "crystallized in its present form." The "stand-pat" were led by E. F. Wyman and Fielding H. Yost of Michigan, and Robert C. Zappie of Illinois.

Outside of these two points, however, the coaches put their stamp of approval, after a long trial on the 1927 changes in the gridiron rules, including the one-second stop for the shift and the removal of the goal posts to their new position, ten yards behind the goal line.

PITT GRIDS WILL SEE DE MILLE MAKE MOVIES

University of Pittsburgh's husky pigskin carriers will receive their first peek inside a motion-picture studio and see movies in the making before they return to the East after their New Year's Day convalesce with Stanford at the Rose Bowl.

They will journey out to the Cecil B. De Mille film plant where "Hold 'Em Yale" is being made with Red Boon as the star making the story of college life and traditions of the campus of "Old Eli" in which a big game figures prominently in the picture.

OBSERVATIONS

BY THE INNOCENT
BYSTANDER
BILL HENRY

THIS wild week of holiday football in the state of California reminds us somewhat of the same week just five years ago, when we had almost as much excitement here for the gridiron bugs. It started out on Christmas Day, 1922, with the dying attempt of the city of San Diego to put itself on the map with a big holiday game. They brought down Louisa from Spokane and out from the wilds of the Cumberland Mountains came University of New Virginia, which, at that particular time, had a most exceptional record.

Bad weather and a lot of other things combined to cut down the attendance and they had only about 10,000 customers to see the Mountaineers win wild Louisiana for three-quarters of the game. Little Nardac, operating behind the powerful interference of his backfield, some fine backs, tore the Gonzaga line to pieces and rolled up 23 points in the last ten minutes of the game Gonzaga, with stockton tussling passes and Brown catching most of them, made two touchdowns and only missed another by a fumble.

Several days later, on December 30, they had just about the same kind of a crowd to see Pop Warner's Pittsburgh Panthers crown Andy Kerr's Stanford warriors at Palo Alto by the score of 16 to 7. Tiny Hewitt's heavy line plugging with persistent fumbling of the Stanford backfield, but the game on ice, but Guy Dennis, a former L. A. High youth, who was stuck in the game near its close, and the Cassinians' stout shutout by crossing the Pitt line just before the gun went off.

Having seen both of these games we hustled back from Palo Alto and witnessed the defeat of Hugo Beards' Nittany Lions from Reno by the Southern California Trojans. With Harry Wilson and Mike Palm starting the line, the Trojans came back to capture honors for the West by a score of 14 to 3. Beards' team, however, was a little better than the one that was so good at Pasadena.

This year's trio of intercollegiate contests, levels the level of the games we hustled back from Palo Alto and witnessed the defeat of Hugo Beards' Nittany Lions from Reno by the Southern California Trojans. With Harry Wilson and Mike Palm starting the line, the Trojans came back to capture honors for the West by a score of 14 to 3. Beards' team, however, was a little better than the one that was so good at Pasadena.

strated their stuff at various stages of the season. Fleishacker was responsible for the losing end of the game, and Hummel went wild when he took Hoffman's place in the "Big Game" this year.

MURPHY SWIPES JOWLS

At quarterback "Spud" Lewis was the regular until Mike Murphy came along and wiped out his job before the California game. Mike was a hero in that battle, running the team with faultless precision and employing his own judgment that Pop simply has to start the boy against Pittsburgh. But Lewis is a good quarterback, and he played a good game today.

There is one very notable exception in this chap Walter Heinicke. He plays center, guard and tackle with equal facility, it seems. He is so good that when he was injured before one of Stanford's Northwest games, he was replaced by a sophomore. This year he is a junior and Murphy is said.

Stanford's line is not nearly as well fortified with big fellows as last year. There are plenty of them, but they just don't stack up with the same degree of strength as the line of last year.

Sir Thomas
Says OKMNX

Sir Thomas Lipton, jocular Irish yachtsman whose Shamrock has challenged for the famous America's Cup nearly three decades, was the guest of honor at the Breakfast Club yesterday morning.

"I've the largest and costliest collection of silver cups in the world," declared Sir Tom, "but I'd trade them all for that darn mug." He was referring to the America's Cup, for which he has challenged four times, and will challenge for again in 1929.

The "Skipper" proved to be the good sport and was duly invited as a member of the club. "OKMNX," said Sir Tom, or words to that effect.

will work today, but it will be at a time most convenient for Pittsburgh. If Pittsburgh wants the Rose Bowl in the afternoon Pop will send his gang through a practice session this morning.

Husky Cagers
Trip Illinois

SEATTLE (Wash.) Dec. 30. (AP)—The University of Washington won the game in the intercollegiate series with the University of Illinois by taking the last center 32 to 28, here tonight. Washington won the first game, 35 to 14, and the second, 35 to 14, in the last ten minutes, after the score was tied at 22-22, brought victory to the Huskies.

OREGON AGGIES DOWN
LOMBARD FIVE, 24-14

GALESBURG (Ill.) Dec. 30. (AP)—The Oregon Aggies basketball team defeated Lombard College, 24 to 14, here tonight. Burr of the westerners carried off scoring honors with seven points. The Aggies left tonight for Chicago to spend the week-end and play two games. Saturday night they tackle Loyola, and the second day the University of Chicago.

DICK IRVING RECOVERING

CHICAGO, Dec. 30. (AP)—Dick Irvin, captain and star forward of the Chicago Black Hawks of the National Hockey League, was declared out of the game today after a par 4 on an eighteen a real test for a 69, two minutes. Irvin's drive left him 130 yards from the green, screaming 275-yard carry and his left pitch was half buried in the green, but he was down in 10 to match the sparkling 69 turned in by Al Watson four earlier.

Joe Turnesa, out in 35, had a great chance of catching the leaders coming home, but found trouble on the back nine and used 39 strokes to get in. Armour and Vm Elm played solid golf under trying conditions.

(Continued from Ninth Page)

contestants, finished the last lap of the seventy-two-hole money drive with 74's.

Palos Verdes presented a problem yesterday. Recent rains turned the otherwise immaculate layout into a "mud-runners" paradise. The heavy double soil, churned into a real mess by early starters, precluded the possibility of roll-and-balls dropped just where they carried. Many contestants were forced to cut shots out of the center of the usually perfect fairways.

ALL GREENS HEAVY

Cut shots were unnecessary. When a ball carried to a green it held and many golfers were forced to jump shots over vicious divots that dotted all greens.

Palos Verdes is a well-drained layout and sunshine today will assure a new and entirely different course for the final thirty-six-hole medal drive tomorrow. Scoring on a whole, was very good. Distance, with so many golfers, approached shots to greens, in a few instances.

A Fred Morrison played the best golf of the day, coasting through the first nine in even par. The Midwick professional continued to ram his putts for the back of each cup, but got his first birdie of the day on the twelfth. Morrison is the longest driver in the championship and carried 275 yards to a trap guarding the twelfth green.

A beautiful out left him a twelve-foot putt for his first birdie. Morrison ran down a ten-foot putt for his second consecutive birdie on thirteen, rimmed the cup in a long try on fourteen, but rode home a thirty-foot putt, over a bumpy green for another birdie on fifteen.

Morrison was twenty feet short of the flag with a three-iron on the 18-yard sixteenth—all uphill, but he picked up a careful par 4 on seventeen and darkness made the par 4 on eighteen a real test for a 69, two minutes. Irvin's drive left him 130 yards from the green, screaming 275-yard carry and his left pitch was half buried in the green, but he was down in 10 to match the sparkling 69 turned in by Al Watson four earlier.

Pasteboards

Now on Sale

Season tickets for the Los Angeles \$10,000 open golf championship at the Wilshire Country Club, January 6-8, yesterday were placed on sale at every cafe and store in the Los Angeles district. They were also placed on sale at the different downtown sporting goods houses. Season tickets will get the preference at Wilshire as the gallery will be limited each day to 8,000 spectators.

On the final Sunday the total number of daily admissions to be sold will be the difference between the total number of season tickets and the limit of 8,000. In other words, if 40,000 season tickets are sold only 1,000 daily admissions tickets will be sold at the gate.

WELSH LEADS TEAM

The Panthers are headed by the Gilbert (Gibby) Welch, who is named on most of the season's all-American teams of the year. Welch is a big fellow, 6 feet 4 inches, 210 pounds, and is a running with the ball. He brought back to their team the occasional wide receiver who is a lowing kick-off. "Gibby" Welch has returned a kick-off of 100 yards to the end zone.

WELCH LEADS TEAM

The Panthers are headed by Gibby Welch, who has been named on most of the outstanding all-American teams of the year. Welch is said to be a big fellow, about the size of Morley Drury. His forte is running with the ball. He is a brought fans to his feet on several occasions with sensational runs following a kick-off for a touchdown. Welch returned a kick-off for a touchdown at the Rose Bowl. Maybe Welch will be able to turn the trick, inasmuch as this seems to be one of his past performances.

"Whitely" Hagan and "Bull" Hagan are the two most promising running mates. The former is the putting and is the key man in the Panthers' defense. Hagan is also a fine ball carrier himself and takes particular delight in knocking off yards. Hagan is the son of the late Hagan, who was a famous football player. Hagan is the son of the late Hagan, who was a famous football player. Hagan is the son of the late Hagan, who was a famous football player.

CARDS SCORED TWICE

Stanford has scored two touchdowns in her past two games. One was against Notre Dame and one against Alabama. Both were on passes. Against the Irish, Shipley scored with a long pass from the Crimson Tide. Walker tallied in a game from Boston. Stanford is expected to employ an aerial attack with much success this year. The Cards scored twice against Southern California, once by a pass from Hoffman to Wilson and the other time on a two-man play to Vincent.

However, those who recall the Notre Dame game at the Rose Bowl will remember that Stanford intercepted two Stanford passes and raced to touchdowns on each occasion. The first came in the second quarter when he grabbed one of Stanford's passes on the Notre Dame 25-yard line and galloped 85 yards to the goal. The second came in the fourth stanza. Walker did the throwing this time, and Layton ran 20 yards.

Most of these now seeking mention as big political timber were put in one place they wouldn't form a forest, but just brush. Their only excuse for calling themselves timber is that they pine for jobs.

Yet when you study a beamed ceiling in a made-to-look-quick house you see that much can be done with filmy. Properly backed up, a one-by-twelve plank looks just like a foot-thick beam. Once "the boys" get together quietly and decide a two-by-four shall be the people's choice he begins to look strong enough to hold up a whole State or nation—and some try to.

No mere mortal can be quite so great and good as the boys convince us their favorite sons are, nor quite so darkly malevolent as the boys on the other side convince their fellowmen they are. And in both cases the people love to be humbugged.

Yes, Palomine, there's plenty of humbug in our politics, but trying to live up to it has changed many a mere politician into an earnest statesman.

GASOLINE ALLEY

The Economy Administration Is On

I'M GLAD YOU'RE BACK FROM THE STICKS, WALT. WE'RE HAVING A SMALL PARTY OVER AT THE WILD AND WOOLLY WIGWAM TONIGHT AND WE WANT YOU AND PHYLLIS.

THANKS, BILL, BUT I'M SAFE AND SANE TONIGHT.

WALT, I HAVE A TABLE TONIGHT AT THE CURRICUE PUP AND HAVE PLACES FOR YOU AND PHYLLIS.

SORRY, MR. WICKER, BUT WE'VE MADE PLANS AND CAN'T MAKE IT THIS TIME.

WALT! WAIT! I'VE GOT THREE TICKETS FOR THE MIDNIGHT SHOW AT THE CURRICUE TONIGHT. BUT MY SISTER-IN-LAW CAN'T GO. I'LL SELL YOU HER TICKET FOR HALF PRICE.

THANKS A LOT, BUT I'M ALL HOOKED UP.

I'M GLAD WE ARE ALL BY OURSELVES TONIGHT, WALT DEAR.

THIS POPCORN PARTY BEATS A QUANTITY PRODUCTION NEW YEAR'S EVE DINNER AND I'D RATHER SIT HERE THAN BE TRAMPLED TO DEATH ON A DANCE FLOOR.

ELLA CINDERS

Our Best Wishes

THOSE ARE MY SENTIMENTS!

MINE TOO!

HAPPY NEW YEAR

AND OVER TOO—BILL CONSELMAN AND CHARLIE PLUMB

WINNIE WINKLE, THE BREADWINNER

A Word from the Wise

I MUST WRITE HOME AND TELL THE FOLKS THE GOOD NEWS! I'VE GOT THE NORTON AND FAITHFUL FIND OUT I'M GOING TO REEVE \$250, A WEEK FOR THE NEXT YEAR AND BE A REAL STAR IN THE MOVIES!

HERE'S A LETTER FOR YOU, WINNIE!

THANKS, HELEN—IT'S FROM HOME AND I JUST STARTED WRITING A LETTER TO THE FOLKS THIS MINUTE!

Dear Winnie:—First of all, we all wish you a happy healthy New Year. I might as well tell you, we are realize by now that you are down and out and struggling to get along. Don't try to fool about your success in the movies. No matter what you write, we don't believe it. Please dear, forget movie and come home to those who love you. This is my prayer every night. Love from us all and God bless you.

AREN'T YOU GOING TO WRITE AND TELL YOUR FAMILY ABOUT YOUR SUCCESS?

NO! WHAT'S THE USE??

MOON MULLINS

A Slip in Time Saves Nine

JUST IMAGINE US GOING OUT WITH ALL THE HIGH MULLINMULLINS TO TROVITTORE TO NIGHT—YOU'RE SURE YOU'RE NOT GOING TO DISOBEY US BY TAKING ANY THING ON YOUR HIP, MOONSHINE!

A COURSE NOT—THEY SERVE IT THESE DON'T THEY?

BY JOVE! I REALLY BELIEVE YOU THINK EL TROVITTORE IS A NIGHT CLUB.

MY WORD!

OOP!

DON'TCHA KNOW MY DEAR MISS SCHWASTE IT ALMOST APPEARED AS IF YOU TOSSED THAT EMPTY BANANA UNDER MULLINS' FOOT.

I DID—I JUST WANTED TO BE ABSOLUTELY SURE HE DIDN'T HAVE ANYTHING ON HIS HIP BEFORE WE STARTED TO THE OPERA.

HAROLD TEEN

Ring Out the Old

TAKE GOOD CARE OF MY LITTLE GIRL!

YOU KNOW MR. JENKS WILL BE WITH US AS A PERFECT CHAPERON!

I DON'T HAVE TO WORRY ABOUT YOUR LITTLE SON TONIGHT, DAD, OLD POP JENKS IS GOING TO CHAPERON US—

HEAR THAT MUSIC QUEEN?

ISN'T IT GORGEOUS?

AH, YES—MR. MORTIMER JENKS—I HAVE A VERY FINE TABLE FOR YOU!

YOU'RE HIS MANAGER! IS THIS THE WAY YOU COACHED HIM TO ACT?

WHO? ME?

OH! YOU! STEAM HEATED PAPA!

JOHN F. BROWN
Vice-President and Cashier

**NOTICE OF
SPECIAL MEETING OF
STOCKHOLDERS**

THE CITIZENS' NATIONAL BANK OF LOS ANGELES

NOTICE IN HERETO

that, pursuant to a resolution of the Board of Directors of the Citizens' National Bank of Los Angeles, a special meeting of the stockholders of the said bank at the Northwest corner of Broadway and the city of Los Angeles, county of Los Angeles, State of California, to be held on the 10th day of January, 1930, for the purpose of considering and acting upon the proposed agreement constituting the Citizens Trust and Savings Company of Los Angeles; further, for the purpose of considering and acting upon the proposed agreement for such increased capital for the purposes of constituting the Citizens Trust and Savings Company of Los Angeles, the name of The Citizens' National Bank of Los Angeles, for the purpose of increasing the capital of the said bank to a sum of \$1,000,000, and for the purpose of increasing the

for members of the Citizens' Bank of Los Angeles to vote upon amendments to the articles of incorporation of said bank, and for the purpose of electing additional directors of said bank, and for the purpose of such other business as may come before said meeting.

Dated Los Angeles, California, this 10th day of December, 1917.

DABNEY WATTS,
President of the Citizens' Bank of Los Angeles.

CALIFORNIA WATER
NOTICE TO STOCKHOLDERS
OF ANNUAL MEETING

The annual meeting of the stockholders of the California Water Company will be held at 10 a.m. on Saturday, December 15, 1917, at the Los Angeles office of the company, at the corner of Broadway and Main streets, for the purpose of electing directors and for such other business as may properly come before the meeting.

Dated December 10, 1917.
